"I really like this kinds of tournament.
You can see excitement of the young players,
They play hard and want to win.
I believe that all our young players will do fine on a big ice surface.
I wish them good luck. "

Welcome to the Vysocina (Highlands) !

We will be pleased if you will participate in the 5th Tournaments Challenge Cup of the President of the Vysočina Region (Highlands) .
The tournament is organized in a region where ice hockey is the number one sport where it has a great tradition. Three cities teams are part of First League and three more are playing in the Second League.
The idea to organize the tournament was born five years ago.
Now we stand at the beginning of the fifth tournament.
Again, we expect over twenty hockey games at the Jihlava ice arena.
Hockey games where at the end we can see the euphoria of victory and the joy of scored goals, and on the other side the disappointment of loosing - often accompanied by tears ...
The objective of our tournament is the only one: to offer teams the opportunity play a good games at the end of the season with the best opponents.
In these games are our little players getting valuable experiences for their future hockey careers. And last but not least, new contacts and friends.
If you decide to participate in our tournament, we wish you that you feel great in the Highlands and you bring home an enjoyable memories from this traditional event.
